

# 4 LENS PARTNERSHIPS

Customer Centered  
Manufactured Solutions

Our Mission:  
**To Create and Cultivate**  
**THE REPUTATION**  
**In Manufacturing Channel**  
**Business Development as**  
**a TRUSTED PARTNER!**

# Who We Are What We Do

- 4 Lens Mfg. is a partnership contract manufacturing service firm. We combine full-service process manufacturing for plastics and metal parts.
- 4 Lens Mfg. incorporates customer centric values built on strong foundational principles of trust, respect, communication and performance.
- We advocate and represent a comprehensive network of principal manufacturing partnerships.
- We create tailored solutions to OEM customers by combining broad capabilities with unrivaled service.

# The Challenge

---

Navigating the vast,  
forever changing  
manufacturing market to  
meet and exceed Quality,  
Cost and On Time Delivery  
standards!

# The solution

Cultivating a continuous innovative network of trusted manufacturing partners tailored to our **clients needs!**

## Our Purpose

"To advocate good business practices by meeting the high demands of custom manufacturing needs".

"We earn our business by earning Trust!"

We service OEM clients by advocating for principal partnerships tailored to our customers"

*"We are **advocates** for thriving business development for both our **principal partners** and **customers**!"*

Bryan Erdmann

Principle, Owner

*"We are continuously developing a collective of best in class manufactures tailored to our clients needs."*
